Project # 10790

Bid Name: Hi-Rail Boom Truck

DATE: 5-15-2020

TO: Participating Bidders

RE: Notice of Non-Award

---

Dear Bidders:

Please be advised the ASPA Terminal Railway is withdrawing this bid. We will post a rebid of this item at a later date. The apparent low bids for this project have been considered by the Alabama State Port Authority's Terminal Railway. However, due to the current economic downturn the Alabama State Port Authority has opted to not move forward with this bid.

We recognize that you and other members of your company have expended a time and effort in preparing and presenting your bids. On behalf of the Alabama State Port Authority, I want to thank you for your interest.

It is hoped you will participate in future solicitation issued by the Alabama State Port Authority.

Sincerely,

A handwritten signature in blue ink, appearing to read "Darrell W. Lynd", written over a horizontal line.

Darrell W. Lynd  
Manager of Operating Administration  
Terminal Railway  
Alabama State Port Authority
