ICTF Drainage Cured in Place Liner, Mobile Alabama

The work consists principally of providing bonds, labor, materials, equipment, and supervision necessary for the improvement of seven existing 60 inch diameter HDPE storm drain pipes, each being approximately 1025 feet in length, using cured in place pipe liners all as indicated in the Contract Drawings and Specifications. The Contractor will be required to complete the work under the Contract within 150 calendar days of the effective date of “Notice to Proceed”.

All Contractors submitting bids are to carefully examine the site of the proposed work by appointment only and thoroughly review the contract requirements prior to submission of a bid proposal. Each Bidder shall satisfy oneself as to the character, quality, and quantities of work to be performed, and as to the requirements of the proposed Contract. The submission of a proposal shall be proof that the bidding Contractor has made such examination and is satisfied as to the conditions to be encountered in performing the work as and as to the requirements of the proposed Contract. All bidding Contractors must hold the proper license from the State Licensing Board of General Contractors, Montgomery, Alabama with the classification being appropriate for this type of work.

Specifications, proposal forms, bid and performance bond forms, and plans are available at the Alabama State Port Authority Old Administration Building, Mobile, Alabama 36602. For bid documents or other project specific information, please contact the owner’s Project Manager, Peter Olivero, P.E. at (251) 622-2688 (e-mail to polivero@asdd.com). Complete Plans and Specification sets will be furnished to qualified prospective bidders upon request.

An **optional** Pre-Bid Meeting is scheduled for **April 7, 2021 at 2:00 P.M.** at the Alabama State Port Authority in the International Trade Center Building, 250 North Water Street, 1st floor – Killian Room, Mobile, AL. At the conclusion of the Pre-Bid Meeting a site visit will be offered to allow prospective Contractor’s to observe the existing conditions of the site.
