Project Name On-Call Engineering Services for Railroad Work & FRA Bridge Inspections

RFP No. ASPA-TS-2019-03

Addendum #1

Date: 8/15/19

The below items are in response to requests for information received for the project.

Item	Description
1	<p>Q: Are the reports from the most recent inspection available for review?</p> <p><i>A: The previous inspection reports are not available for review.</i></p>
2	<p>Q: Are there any firms that are precluded from consideration for the contract?</p> <p><i>A: Requirements and Restrictions are listed in Section 8.0 of the RFQ/RFP document.</i></p>
3	<p>Q: Have the safe loading capacities for each bridge been previously documented in the Bridge Safety Management Program. Will any structures require capacities to be developed from scratch?</p> <p><i>A: Section 2.1 of the RFQ/RFP document requires safe load capacity reports and calculations be submitted as part of the annual inspection report for each structure inspected.</i></p>
4	<p>Q: Is Attachment 3.2.4 Personnel Resume Form, required for personnel resumes? Are firm-developed resumes acceptable if the required information is listed?</p> <p><i>A: Firm developed resumes are acceptable, so long as they include the required information and are limited to one (1) page each.</i></p>

Please indicate your receipt of this addendum by adding the addendum number in the appropriate place in your Requisition & Proposal or Specification Book.
