

**Pest Control Pre-Bid  
August 30, 2017**

**Questions and Answers Section**

1. **Question:** What was the total award tabulation for the previous bid?  
**Answer:** Because the expiring contract is more than three years in age, bidders should price services in accordance with the current bid.
  
2. **Question:** What is the (accurate) total count of rodent bait stations that will need service and the frequency of the service?  
**Answer:** There are approximately 10-18 bait stations pier and up to six per building. All stations are serviced monthly.
