

Alabama State Port Authority
Addendum to Specification Booklet

Project Name Upper Mobile Bay Beneficial Use Wetland Creation Site (Planning) Project

Project # ASPA TS-2020-01 **Task #** 1 **Addendum #** 6

To: Prospective Bidders **Date:** 1/5/2021

Below are questions submitted by Prospective Respondents and responses by the Alabama State Port Authority.

Question Submitted	Do we need to bring a computer or projector to the interview or just a thumb drive with the presentation?
ASPA Response	ASPA will require that the Engineering Service provide their own computer for the presentation. Click Share will be available and a ASPA IT specialist will initially be there to set it up. Click Share is a usb device that can broadcast the presentation from the computer to ASPA's AV equipment.

Please indicate your receipt of this addendum by adding the addendum number in the appropriate place in your Requisition & Proposal.
