Addendum to R&P or Specification Booklet

Requisition and Proposal Railroad Jacks

ADDENDUM #1

To: Prospective Bidders

Date: 1-7-20

This Addendum contains the following information and becomes a part of the Bid Package.

Changes:

1. The description of the Railroad Jacks in the original bid is incorrect. It should read as follows.

One pair of 60-ton railroad jacks for purchase. Jacks will be Hydra-Tech electric 6016S or equivalent. Jacks will have a minimum of 16" stroke and a 25" retracted height. Bid will include 2 each, 8" jack extensions, 16" jack extensions and the extension bases. Bid will include the load holding rings for the jacks
