

## Demolition of 2 Elevated Water Tanks

Project # 10479 Task # 2

ADDENDUM # 1

June 14, 2018

The following is being issued for clarification of the requirements for the Project.

1. Project requires past experience with Demolition of Elevated Water Tanks. Provide adequate Documentation and owner contact Information for a minimum of Three Elevated Water Tank Demolition Projects with Bid Package.

This is required due concerns about possible damage to adjacent warehouses, buildings, equipment, and parking areas.

2. Contractor shall be fully responsible for any and all damages caused by his work.

Please indicate your receipt of this Addendum by adding the Addendum Number in the appropriate place in your Proposal.
